## Newsletter

Friday 9th December 2022

### Miss Burrows

A fabulous time was had by the children who attended the Jingle Bell Ball last night- lots of laughter and dancing was had by all! A big thank you to Bolton FM who provided the music and DJs! We have had some lovely comments this week from parents and carers who attended our Showcase event this week. It was lovely to welcome you all in to our school and showcase all of the fabulous work our children are doing.

Today we have some children visiting an Alpaca farm with Ms Coleman and others watching A Christmas Carol at the Octagon with Mr Robinson.

We are heading in to another busy week ahead- please check the dates for the diary to see what is happening when.

School Closes at 3.30pm prompt on Friday 16<sup>th</sup> December and re-opens on Wednesday 4<sup>th</sup> January.

### Dinner Money - Important

Parentmail will be updated once a week on a Friday with the amount due for dinners that week. **Please can we ask you to ensure you pay in full at the end of each week at the latest.** Alternatively, you can add lump sums to the dinner money account if you prefer. Thank you for your assistance with this.

### Jolly Jumper Day – Non Uniform

Children are invited to wear their jumpers again on **Wednesday 14<sup>th</sup> December** (no donation needed for 14<sup>th</sup>) for Jolly Jumper Day and the Christmas Dinner in school.

On Friday 9<sup>th</sup> December the following pupils received a Head Teacher's certificate - Well Done!

CLASS	NAME	REASON
YEAR 1	Alice B	For showing hardworking behaviours in all of her lessons this week. Well Done!
YEAR 1/2	Poppy M-G	What a superstar! Poppy is so hardworking and a polite, considerate member of our class team. All the adults in class have been very impressed with her work and help this week. Well done Poppy!
YEAR 2	Hudson R	For being a hardworking and empathetic member of our class who show resilience and determination when faced with a challenge. Well done Hudson!
YEAR 3/4	Channah B	She has been kind and nurturing this week and being a good friend to children who were feeling a little down and left out. She has kept checking on them all week and making sure they are ok and happy at break and lunch times.
YEAR 4	Ellie C	For using her fluent and flexible thinking to create a wonderful Tanka poem in English.
YEAR 5	Lucas P	For always working hard and showing great connection finding skills. He is a credit to Y5 and CNR!
YEAR 5/6	Kacper D	For excellent science.
YEAR 6	Oliver C	For amazing metacognition. Understanding his own learning style and using strategy planning to overcome word problems.

**Dates for Diary

# JOIN NOW PAY NOTHING UNTIL JANUARY 2023

December 2022

Dear Parent / Guardian,

Bolton Community Leisure Trust provides swimming lessons to 4700+ children every week of the year across Bolton.

Swimming is fun but is also an important **life skill** and the earlier your child learns to swim, the more fun they will have at the local pool or on holiday.

Children's swimming abilities develop at different rates, and this depends on several factors: their age, water confidence and previous experiences in the water to name but a few. With this in mind, we are currently offering all Children aged 3 years + the opportunity to access swimming lessons with Bolton Community Leisure Trust at **Horwich Leisure Centre**.

The lessons operate all year round, and enrolment can be completed at any time. Preferred method of payment is by Direct Debit with prices starting from just £22.05 a month. \*Terms and Conditions apply.

If you would like to take up this opportunity and join our Swimming Lesson programme, we will ensure that your child is placed in a class with children of a similar ability. All you need to do is complete the details below and return the completed slip to reception. Alternatively, you can contact the centre on 01204 477690. **To receive 'nothing to pay till January' offer, enrolment must be completed before the 15<sup>th</sup> December 2022.**

Taking guidance from the Swim England we believe that every child in the UK (United Kingdom) should have the opportunity to learn to swim.

By the end of Key Stage 2 (Y6) each child should be safe in and around water with a key element of this is being able to swim a minimum of 25 metres unaided.

We would like to take this opportunity to provide you with some vital information about what we can offer as a trusted and long-standing provider of swimming lessons. We hope this will make the decision of provider a much easier task.

#### **Staff**

We offer as a minimum;

- Professionally qualified and experienced staff with numerous years of teaching knowledge and experience.
- All instructors hold the ASA or STA Swimming Instructor qualifications.
- All instructors regularly attend CPD's to enhance pupil development.
- All instructors hold either a National Pool Lifeguard Qualification or National Rescue Award for Teachers and Coaches.
  - i. With an obligation to train every month to ensure that teachers are up to date with local and national qualifications and are committed to quality customer care.
- All instructors hold the 'Basic Life Support and Automated External Defibrillation' qualification, to ensure each member of staff can competently administer the Defib.' This training operates in conjunction with the RLSS and the Northwest Ambulance Service.
- All instructors have completed 'Safeguarding and Child Protection' course, tailored to sit in line with the Bolton framework.

#### **Pupil Monitoring and Evaluation**

- Pupils are tracked from their starting position, achievements are constantly monitored, and results are available to track on our Home Portal.
- Badges are available for completing distances and levels.

#### **Customer Satisfaction**

- We constantly strive to improve the service that we offer our customers and look to improve this via various methods including customer feedback.
- All sites have risk assessments in place to cover swimming sessions whilst in the pool and changing room facilities and are available on request.
- We teach to the Swim England framework Learn to Swim. The Learn to swim framework is an all-inclusive programme which takes the non-swimmer from their first splash to developing confidence and competence in the water. It also equips Learn to Swim providers with the tools and training to deliver a multi-aquatic, multi-skill programme.
- The swimmer's journey through aquatics following this framework will result in the development of a wide range of skills. These skills are pieces of a jigsaw and, when put together, result in a competent, confident, and safe swimmer who has the skill base for developing technique over a wide range of water-based sports. Including being able to achieve their Key Stage 2 in school swimming.

If you need any advice or have any queries regarding the above, please do not hesitate to contact me directly.

Kind Regards

Victoria Neumann
